MANAGER'S CORNER

Wow, that first month went by in a hurry! It's certainly been a whirlwind, as expected, meeting a lot of new faces and trying to remember as many names as possible. The warm welcome I've received has certainly been appreciated and I've been in awe of what a beautiful place the Beaufort Club is.

You may have seen an introductory email I sent out during my first couple of days here. That will be my main form of communication for now, along with a monthly newsletter. We have so many great events happening at the club, and I want to make sure the membership is kept up to date on all of them.

During my first couple of days, I received a resignation letter from our pro, Ross Carlyle. I was sad we weren't able to work together, however, he has a great opportunity ahead of him at Sedgefield Country Club, and I know he'll do a great job. Ross wanted to express his sincere gratitude to the membership on the way out, as he received numerous calls and emails of well wishes.

I also wanted to give a special shoutout to our group of ladies who gifted Ross a money tree. This was a very thoughtful gesture, and I'm sure something he'll remember for a long time.

I have interviews in place to find a replacement. My plan is to have someone hired by the end of May. This will push our member tournaments towards the fall, however, I wanted time to train the new pro and get them settled in before we kick off our big events.

Speaking of big events, make sure to **SAVE THE DATE** for our upcoming **MAJOR** events in the fall..

BEAUFORT CLUB POOL

The Beaufort Club Pool is scheduled to open May 1st. There will be a new pool code this year and that code is **C1438Z**. Please do not distribute this code to non-members. Pool rules are located inside the pool gate, please make sure to follow these rules when occupying the pool. We have a pool company that comes by at 8am each day to check the chemicals and empty the trash. Members and guests are expected to clean up any trash created by their party. It is our shared responsibility to maintain a clean and safe environment at the pool.

GOLF COURSE UPDATE

Superintendent
Jonathan Birkett

As we head into May we are getting into our busy season. You may have noticed we finally got the bulkhead on #6 repaired. We will be fertilizing the golf course on May 1st to start pushing the Bermuda to thicken up. Mid May we will start our herbicide applications to continue to clean up any leftover weeds from last year.

Greens are great right now and we will continue to keep the speeds up until it gets hot. Please be mindful and try to keep carts on the paths at tee and green areas. Thank you!

-Jonathan

STAR PERFORMERS

I'd like to highlight special achievements that happen when you're on the course. If you do something extraordinary, email it to me and I'll add you to the "Star Performers" of the month. It could be a Hole-In-One, a personal best, shooting your age or even an eagle or birdie! We've already had one this month....

- Matt Troxler holed out for EAGLE on hole #6 while playing with the "Heard of Cats." Great shot Matt!

LADIES 9 HOLE LEAGUE

Our Ladies Golf Association is looking to start a Ladies 9 Hole League which will be a more casual/fun league but still be incorporated with the 18 hole ladies. We're trying to gauge if there's enough interest, so if this interests you and you want more information please send an email to BJ Vincent at bv28516@gmail.com.
